

Special Waste Collection

The City of La Puente, in conjunction with Valley Vista Services, provides residents with a **FREE** opportunity to dispose of "special" waste items on the designated dates below. On the third Saturday of each month, a dumpster monitored by City personnel will be available from 8:00 am to 1:00 pm at the parking lot of La Puente Park at 501 N. Glendora Avenue.

*Don't miss the
Special Waste Collection Events below:*

Scrap Wood

May 18, 2019
October 19, 2019

Scrap Metal

June 15, 2019
November 16, 2019

Green Waste

July 20, 2019
December 21, 2019

Used Tires

August 17, 2019

Furniture

September 21, 2019

While the events are **FREE** of charge, individuals dropping off waste must be a City of La Puente resident to participate - identification proving City residency is required. For more information, please contact City Hall at (626) 855-1500.

Bulky Item Pick-Ups Got Junk Too Big To Throw Out?

VVS will provide three times per year, a four item On-Call Bulky Item Collection Service to residents at no additional charge. Each resident must call VVS in advance of their regularly scheduled collection day and schedule a special collection of bulky items.

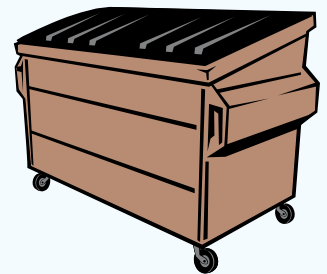

Bulky items are any items too large to fit into the standard collection cart like refrigerators and couches or items such as computers, keyboards, monitors or other electronic devices banned from landfills called e-waste. Each resident is eligible for this 4 item pick-up service three times per year as an on-call service.

Clear Up Clutter with a "Clean-Up Bin"

Spring Cleaning & Summer Remodels **DON'T** have to be a hassle.

When conducting home improvement projects call Valley Vista Services for a temporary clean-up bin. We offer bins in many sizes to assist with yard and household clean-ups, garage clear-outs and even small construction projects.

To request a "clean-up bin" for your next project please contact our Customer Service Department at (800) 442-6454.

What To Do With Used Motor Oil

Motor oil is considered hazardous waste and should NEVER be put in the trash (even if in a sealed container), poured onto the ground or into storm drains as it can contaminate and pollute the soil, groundwater, streams, and rivers.

ALWAYS recycle your used motor oil. Recycling motor oil helps the environment, saves energy, and protects our drinking water.
