Every Drop Counts

Recycling & Disposal of Used Oil

Did you know that used motor oil can be recycled, cleaned, and used again and again? Motor oil should NEVER be poured onto the ground or into storm drains, or tossed into trash cans (even if in a sealed container) as it can contaminate and pollute the soil, groundwater, streams, and rivers.

When you take your used oil to a certified center for recycling, you are conserving a valuable resource while protecting the environment. Certified used oil collection centers will take up to 5 gallons of used motor oil and will pay you 40 cents per gallon.

Certified Used Oil Collection Centers in City of Cypress:

AutoZone

5471 Lincoln Ave
(714) 995-4644

Accepts used oil filters.

Jiffy Lube

4942 Lincoln Avenue
(714) 952-4709

Does not accept used oil filters.

Used motor should not be mixed with any other fluids such as antifreeze, solvents, gasoline, or water as it causes contamination and will not be accepted. **To locate more used oil recycling centers in the Orange County area, please visit <https://www2.calrecycle.ca.gov/UsedOil/CertifiedCenters/> or call the Earth's 911 hotline at (800) CLEANUP.**

National Prescription Drug Take Back Day

Saturday, October 26, 2019

Too often, unused prescription drugs find their way into the wrong hands which is dangerous and often tragic. **National Take-Back Day** is a safe & convenient, responsible, and anonymous way to dispose of unused or expired prescription drugs. Safely dispose of these medications at no charge by bringing them to the Cypress Civic Center (5275 Orange Ave.) on National Take Back Day. *No sharps, syringes, liquids or gels will be accepted.

To learn more about National Prescription Drug Take-Back Day and to locate more collection facilities near you, please visit <https://takebackday.dea.gov/>.

Holiday "Treecycling"

Make an impact on the environment this holiday season by using V.V.S.'s free Holiday Tree Recycling Program. **VVSOC will collect and recycle holiday trees placed curbside on your regularly scheduled trash day from December 26, 2019 through January 18, 2020.** Trees must be cut into lengths no longer than 6 feet and stripped of all ornaments, garland, tinsel, flocking and stands. After this service has ended, trees must be cut down to fit into your regular 96-gallon green waste container (with the lid closed). If you have any questions, please call Valley Vista Services at (800) 442-6454 for more information.

Holiday Schedule

Trash pickup will be delayed by one day if your regular collection day falls on or after the following holidays:

- **Thursday, November 28th, 2019 - Thanksgiving Day**
- **Wednesday, December 25th, 2019 - Christmas Day**
- **Wednesday, January 1st, 2020 - New Year's Day**

If your collection days falls on a weekend, pickup will be made up on the prior Friday or following Monday.
