DETERMINATION

California Public Resources Code Section allows the City to exempt a business or group of businesses from the requirements of California Public Resources Code Section 42652.5, on a case-by-case basis, when the City determines that the business or group of businesses does not generate at least 20 gallons of organic waste per week.

Based on the Waste Hauler Information and Field Survey Observations summarized on this form, the undersigned hereby:

- Recommend exemption from the requirements of California Public Resources Code Section 42649.81
- Determine that the business(es) shall comply with the requirements of California Public Resources Code Section 42649.81
