

Valley Vista Services, Inc.

Waste Disposal and Recycling Division

Dear Valued Customer,

Effective May 31, 2025, the City of San Marino awarded Valley Vista Services (VVS) a ten-year exclusive contract to provide residential and commercial trash, recycling, and organic waste collection services to the community.

Since 1957, Valley Vista Services has proudly served cities throughout the greater Los Angeles area with a strong commitment to customer satisfaction, environmental responsibility, and community engagement. With more than 65 years of experience, we are honored to bring our dependable, customer-first approach to the residents and businesses of San Marino.

We understand how important consistent, high-quality waste collection is, and we are committed to delivering that level of care to your community. Our mission goes beyond waste collection, as we strive to be a trusted partner in maintaining the cleanliness, beauty, and sustainability of your neighborhood.

In the coming months, VVS will begin delivering new containers to residential customers. Commercial bin customers will also receive recycling and organics containers to help meet California's SB 1383 recycling requirements. Additional information will be shared as the delivery date approaches to ensure you are fully informed and prepared.

Help us keep your account up to date by using the VVS online portal. You can pay your bill, set up autopay, go paperless, and more, all in one place. To access your online account, go to ValleyVistaServices.com/pay and enter your account number and access code.
