

DIAMOND BAR RESIDENTS

Important Information Regarding Your Service Rates
– Effective July 1, 2026

Dear Valued Customer,

Valley Vista Services is committed to providing reliable, high-quality service to the Diamond Bar community while operating efficiently and responsibly. Despite our ongoing efforts to control costs, expenses related to labor, equipment, maintenance, and landfill fees continue to increase.

To help offset a portion of these rising costs and account for changes in the Consumer Price Index (CPI), a rate adjustment will become effective July 1, 2026. The new rate will appear on your next billing statement.

Please note that residential customers, who are billed quarterly, will see a prorated adjustment for the month of July reflected on their next billing statement covering services from August through the end of October 2026.

Thank you for your continued trust and support.

Sincerely,
Valley Vista Services, Inc.
