

SAN MARINO CUSTOMERS

IMPORTANT INFORMATION REGARDING YOUR SOLID WASTE SERVICE RATES

Dear Valued Customer,

Valley Vista Services is committed to providing reliable, high-quality service to the San Marino community while operating efficiently and responsibly. Pursuant to the City of San Marino's agreement with Valley Vista Services, residential solid waste service rates are adjusted annually based on changes in the Consumer Price Index (CPI) and other contractually limited cost factors. Effective **July 1, 2026**, updated service rates approved by the City will take effect and will appear on subsequent billing statements. This adjustment does not include any changes to current service levels.

For the average residential customer with cart services, the standard monthly rate will change from \$57.61 to \$59.76, reflecting an overall rate adjustment of approximately 3.7%. Thank you for your continued partnership in helping keep San Marino clean, green, and thriving!
