

RENEWS

Using Your Organics Waste Container

Proper use of your organics container ensures collected materials are recycled rather than redirected to a landfill. Knowing what does and does not belong in the organics container is the first step.

What is considered organic waste?

Food Waste

- ✓ Bones
- ✓ Meat & Fish
- ✓ Eggs
- ✓ Dairy Products
- ✓ Food Scraps

Yard Waste

- ✓ Leaves
- ✓ Grass
- ✓ Flowers
- ✓ Twigs
- ✓ Small Branches

Food waste must be placed in a securely tied **clear or transparent plastic bag** before being set out. Clear or transparent compostable bags are also accepted. Yard waste may be placed loose directly into the cart – no bag required.

Do NOT place these items in the organics container:

- | | |
|---------------|----------------------|
| ✗ Straws | ✗ Used Plates |
| ✗ Wrappers | ✗ Plastic Utensils |
| ✗ Diapers | ✗ Painted Wood |
| ✗ Palm Fronds | ✗ Takeout Containers |
| ✗ Pizza Boxes | ✗ Pet Waste & Litter |

Contamination of an organics load may result in the entire load being redirected to a landfill, defeating the purpose of source separation.

Proper sorting supports California's waste reduction goals and helps ensure your organics are processed as intended.

Keep Recyclables Separate from Bagged Trash

While recyclables and trash are collected in the same cart under the current waste program, please place recyclables loose in the cart to help support proper sorting and recovery of recyclable materials. To help identify recyclable plastics, many packages have a recycling symbol, usually found on the bottom, that identifies the type of plastic and whether it can be recycled. Review the most common symbols below to determine if an item is recyclable.

Remember to:

- Place items directly into the trash cart- **NO BAG NEEDED**
- Make sure all recyclables are **EMPTY, CLEAN, and DRY**

What Else Can Be Recycled?

Proper recycling goes beyond plastics - the following materials are also considered recyclable:

- | | |
|----------------------------|------------------------|
| • Cardboard
(flattened) | • Glass Jars & Bottles |
| • Paper | • Tin & Aluminum Cans |
| | • Scrap Metal |

Greasy or food-soiled materials (ex. pizza boxes, used takeout containers) and items that cannot be fully cleaned out should be kept with the bagged trash. Keeping contaminants separate protects the entire load.

Keeping Your Food Waste Cart Free of Pests, Bugs, and Flies

- **Freeze smelly scraps** – Store meat, seafood, and dairy scraps in the freezer until collection day to reduce odors.
- **Add dry materials** – Layer food-soiled paper between wet scraps to absorb moisture and reduce smells.
- **Keep lids closed** – Always keep your kitchen pail and green cart tightly shut to keep pests out.
- **Clean containers regularly** – Wash carts with soap and water often. Vinegar and baking soda can help control odors.

Help Keep Hazardous Waste out of our Landfills

VVS does NOT collect Hazardous Waste

Hazardous Waste is products that contain toxic, reactive, or corrosive ingredients. Common examples include:

- | | | |
|------------------------|-----------------------------|--------------------|
| • All Batteries | • Transmission Fluid | • Sharps |
| • Paint | • Abrasive Cleaners | • Syringes |
| • Motor Oil | • Prescription Drugs | • Lancets |
| • Lighter fluid | • Propane cylinders | • Chemicals |

If these chemicals are not disposed of correctly, they can start fires in trash trucks and release harmful pollutants into the air, creating safety and health risks for people and the environment. For guidance on correctly disposing of hazardous waste and disposal locations, contact the LA County Sanitation District at (800) 238-0173 or visit lacsdc.org.

Scheduling Bulky Item Pickups

To support the cleanliness of the community, Valley Vista Services provides San Marino residents with two (2) **FREE** bulky item pickups each year, allowing for up to ten (10) items per pickup.

Three ways to schedule a bulky pickup:

1. Submit a request online at valleyvistaservices.com/bulky-item/.
2. Email an itemized list to vvsbulky@myvvs.com.
3. Contact customer service at (626) 325-6508.

Scan to Schedule

Bulky item pickup service is only available on Tuesdays. To ensure timely service, please submit your request at least 24 hours in advance.

Holiday Schedule

Collection Service will **not** run on these holidays:

- | | |
|---------------------------|---------------------------|
| • New Year's Day | • Labor Day |
| • Memorial Day | • Thanksgiving Day |
| • Independence Day | • Christmas Day |

If your regular collection day falls on or after one of these holidays, pick up will be delayed one day. Excluding holidays, our normal business hours are:

Monday through Friday, 8 a.m.- 5 p.m.

Saturday from 8 a.m.-1 p.m.
